

Date : 2nd October 2026

To : Whom it may concern

Dear Sir/Madam,

**LETTER OF RECOMMENDATION FOR MUHAMMAD WARITH ISKANDAR BIN IZAMZOAMRI,
PRACTICAL TRAINEE IN BACHELOR OF SCIENCE IN GEOINFORMATICS (HONS.)**

With due respect, the above matter is referred,

2. This is to certify that Muhammad Warith Iskandar Bin Izamzoamri (No. K/P: [REDACTED]) underwent an 11-week practical training programme from 20th July 2026 to 4th October 2026 at the Civil & Resilient Infrastructure Section, Resilient Infrastructure & Sustainable Environment Unit, TNB Research Sdn. Bhd.

3. Throughout his practical training in our section, he demonstrated a full dedication and commitment to the tasks assigned to him and consistently showed a strong willingness to enhance his knowledge in the relevant field. He was also willing to take on responsibilities and demonstrated the ability to work effectively in team. In addition to possessing good knowledge of geospatial technology and Web GIS development, he maintained a high level of discipline and professionalism throughout his practical training.

4. Based on the performance he has demonstrated throughout his practical training, together with his abilities, knowledge, and strong interest in the field, I am confident that he has the potential to continue developing professionally and to perform well in his future career, given the appropriate opportunity. I therefore fully support his application and believe that he would be able to make a positive contribution to any organisation he joins in the future.

Thank you,

"BETTER. BRIGHTER.
